The Leon Elementary School Parent-Teacher Organization established a Scholarship Fund during the 1995-1996 school year. The organization elected to have the graduating class of 2002 be the first recipients of the proceeds of the fund.

**Guidelines:**

1. The recipient must have attended Leon Elementary School five of the seven primary school years.
2. Any student who is enrolled in post high-school education will receive a share of the proceeds the first year of his/her education. (This will be a one year scholarship, only.)
3. The student must enroll in post-secondary education in the **fall term** following high school graduation.
4. The annual proceeds will be divided equally among the Leon Elementary alumni who have been accepted and are enrolled in higher education. **\*\*See below for amendment.**
5. The scholarship will be awarded at the annual High School Awards Ceremony upon acceptance into and institution of higher learning and completion of the application form by **May 1**.
6. Money will be released to the applicant when he/she provides proof of enrollment two weeks before the school term begins.
7. In the event the Leon Elementary School would be closed, the scholarship fund would be turned over to the High School that the Leon Elementary School students would be attending. The guidelines would then be rewritten to make the scholarship available to any student of the receiving school, after ALL LEON SCHOOL ALUMNI had graduated.
8. If the scholarship fund does not materialize, or grows to the extent that the proceeds would exceed \$500 per student, these guidelines may be rewritten by the PTO Scholarship Committee, and approved by the full body of the PTO, to distribute and dissolve the fund, or to assign proceeds in excess of the \$500 in another manner than direct release to the student.

**ADMENDMENT:**

After the events of 9-11-01 the interest rates dropped and the LEON PTO made an amendment to #4 above, the LEON PTO set an amount to pay out \$300 per student. In 2005 we were able to increase the amount to \$500 per student.
